Dear Respected Authority,

In response to your job, an advertisement was published on 16th June 2025. I want to introduce myself to you, as I believe I have the skills, qualifications, and experience necessary to contribute to your organization significantly.

I have pursued my **EMBA in Finance** from Bangladesh University of Professionals (BUP) scoring CGPA 3.27 out of 4.00 in 2011. I have more than 17 years of working experience in the **IT department** as a **Head of Application Support & Development, Head of IT, Assistant Manager and Software Engineer**. I am expert in **IT infrastructure management, software development, data security, network administration, project coordination, strategic problem-solving, and budget planning etc**. I have sound skills in the Scripting Language, Python programming, Database Management Language and Generative AI technologies.

I'm a self-motivated, lifelong learner who does my work with more passion and energy. I'm confident to ensure the highest level of professionalism & and commitment to my job.

I believe working in a reputed organization like **Best Life Insurance Limited** will provide me with an excellent opportunity for my career. I would truly be grateful if I were finally selected for that post. I will prove myself as an important asset to your company through my dedication, sincerity, and professionalism.

Thanks for your time and consideration.

Sincerely,

Md. Abul Moshad Chowdhury
